Colonel C. R. Bathurst, OSG
Comptroller
Headquarters First Army
Governors Island
New York 4, N. Y.

Dear Colonel Bathurst:

Thanks for calling to my personal attention the
employment status of [REDACTED]

STAT

I have had his file reviewed and find that the
primary reason that he was not accepted for employment with
the Agency at the time of his application earlier this year
was that the position for which he was being considered was
abolished as a result of a reorganization. He was officially
notified of this by a letter on 14 June 1950.

As a result of your letter, his application has
been given further consideration, but I regret that there is
no position open at this time in which we can properly employ
his experience and abilities.

Sincerely,

W B Smith
